

Pembina County Resource Guide

*As of
August 15, 2023*

Public Health
Prevent. Promote. Protect.

Pembina County Public Health

*Pembina County Memorial Hospital
Wedgewood Manor*

Goal: The goal of this community resource guide is to raise awareness about and to promote resources available to caregivers, aging individuals who desire to live independently, and those seeking resources in rural Pembina County.

This directory was developed collaboratively with community stakeholders and will continue to be revised and updated. The intentions of the stakeholders are not to endorse one organization over another but to provide easily accessible, current, and accurate information about the variety of resources promoting wellbeing for all ages.

Please note hyperlinks for internet access to resource websites and the telephone (tel) hyperlink for easy calling from your smartphone.

Cover Picture:

Thank you to Ava Kemnitz for her talents to create the positive behavioral health hopscotch for all ages. See her artistry talents at the Cavalier City Park and give it a try!

Disclaimer:

This information was compiled as a public service project. Every effort has been made to provide complete and accurate information. Please bring any inadvertent error or omission to the attention of Pembina County Public Health at 701-265-4248.

Internet / Social Media

Social media addiction is a behavioral addiction characterized as being overly concerned about social media, driven by an uncontrollable urge to log on to or use social media, and devoting so much time and effort to social media that it impairs other important life areas. For help contact a behavioral health counselor.

Home Health Services-Services may include short-term, skilled nursing visit, medication set up, wound care, evaluation and monitoring, personal hygiene, or nail care as ordered by a physician.

Altru Home Health – Provides interdisciplinary comprehensive health care in the comfort of your own home environment which is overseen by your primary physician and several care providers. Provides 24 hour access to medical services as determined by primary care provider and eligibility. Services may be provided by Altru agency registered nurses, social worker, home care aide, physical therapist, occupational & speech therapist.

Altru Hospice- Is a special kind of care for patient and families facing a life-limiting illness. It provides comfort care also known as palliative care rather than treatment care. This type of service may take place in an individual's home, a nursing home or a hospital setting, while emphasizing the highest quality of life. Supplies are provided as needed. Support is offered to family and caregivers, through counseling, training and education. Providing interdisciplinary care that is overseen by a medical director and several care providers.
